

## Another You

Swans

I'll walk fifteen steps across the room  
I'll stay there until I know where I am  
I won't move until I know where I am  
I won't move until I (until I) remember where I am (until I)  
I won't move until I remember (remember)  
Until I (until I) remember (remember)  
I should have hurt you (I should have hurt you)  
I couldn't hurt you (I couldn't hurt you)  
So I let you hurt me (so I let you hurt me)  
Because I need you (because I need you)
