

Damn You To Hell

Swans

Oh Jesus
You're my only god
If I kissed you I lied
You are mine only mine
You are mine only mine

The sex in your soul will damn you to hell
The sex in your soul will damn you to hell
Damn you to hell
Damn you to hell
Damn you to hell
Damn you to hell
Now save your soul
Damn you to hell
Now save your soul
Damn you to hell
Save your soul
Save your soul
Save your soul
Save your soul
