

Feel Happiness

Swans

(Shhhhhhhh)
I'm truly sorry,
for what I never did,
but I forgive you, too;
for your indifference.
You're a lonely child,
laid open to the world,
and when I looked in your eyes
I saw myself there too,
So please forgive me now,
for what we never had,
Although its useless to say,
I wish you happiness.
I wish you happiness,
I wish you happiness,
happiness,
happiness,
happiness,
happiness,
happiness,
(words become distorted here)
happiness,
happiness,
happiness,
happiness,
happiness,
happiness....
(whistling)
