

## Freak

Swans

Come here you freak, I saw you crawling last night  
Big erection in your hand, you rule the world  
You're gonna murder somebody weak  
You're gonna murder Somebody weak  
Strong men win at violence and abuse  
Strong men win at violence and abuse  
Strong men win at violence and abuse

I'm not scared, I'll take what I want  
Something for nothing, I want what you've got  
I want what you've got
