Now mother father
Hey hey
Now bloody mind
Hey hey
Now killer father
Hey hey
Now mother mind
Hey hey
Hey yeah yeah yeah
There's a place in space where violence and love collide inside
And solid is wide
And heat it is cold
And birth is death
And creation and time are made from destruction
From fucking destruction
Fucking destruction
Fucking destruction
Fucking destruction
Now ride! ride! ride! ride!
Now ride! ride! ride! ride!
Ride! ride! ride! ride!
Ride!
