

## Not Alone

Swans

In separate sections,  
The bodies fall.  
The leaves are purple,  
The grass is red.  
I love your music.  
I love your style.  
The light inside you  
Leaks through your eyes.  
Na na na na....

The golden liquid  
That washed your face,  
Contain my secrets  
And bitter taste.  
I love your music.  
I love your throat.  
The light inside me  
Feeds like a golden rope.  
Na na na na...

And I alone,  
See through your eyes.  
And I alone,  
Will never die.  
And I alone,  
Can taste your hand.  
And I alone,  
Am sanctified.  
And I alone,  
Can smell your hair.  
And I alone,  
Feed you the air.  
And I alone,  
Can steal steal your breath,  
And I alone,  
Prevent your death.  
And I alone,  
Am not alone.  
And I alone,  
Am not alone...  
Na na na na na...

It's the sun  
It's the sun  
Sh-sh-shining  
Sh-sh-shining...  
Shhhh....  
Shhhh....
