

# Thank You

Swans

Talk to me  
Tell me the truth  
This smells sour  
Burn my face

...

This smells sour  
This smells sour  
This smells sour  
This smells sour

Burn me now  
Burn me now

...

Burn my face  
This smells sour  
This smells sour  
This smells sour  
This smells sour  
Burn me now  
Burn me now  
Burn me now  
Burn me now  
Burn me now  
Burn me now  
Burn me now  
Burn me now  
Burn me now
