

The Apostate

Swans

It's not in my mind
It's not in my mind
Not in my mind
Not in my mind
We're living a lie
We're living a lie
You're not in my mind
You're not in my mind
Get out
Get out
Get out
Get out
We're on a ladder to god
We're on a ladder to god
A ladder to god
A ladder to god
A ladder to god
A ladder to god
Space cunt
Fur norse
Star dust
Space the cut

A ladder to god
A ladder to god
A ladder to god
A ladder to god
Get
Out
Get
Out
Get
Out
Get
Out
Get out
Get cross
We're on a ladder to god
We're on a ladder to god
Get out

Blessed
