

## Weakling

Swans

I don't feel pain  
I never escape  
I'm under the bed  
I'm licking the floor  
I never dream  
This isn't real  
This isn't real  
This isn't real  
This isn't real  
This isn't real  
Not real

You know everything  
I forgot how to breathe  
You're touching my chest  
When I'm touched I bleed  
I never dream  
This isn't real  
This isn't real  
This isn't real  
This isn't real  
This isn't real  
Not real  
Not real  
Not real  
Not real  
Not real, not real  
Not real, not real  
Not real, not real  
Not real, not real  
Not real
