You never close your eyes When I am near you You never say you know me When I am inside of you Girl you know it's only a feeling Girl you know you lie and you steal When you take my trust in your body Nothing inside you is real You are another person When you are alone Nothing moves inside you No one holds you down Girl you know it's only a feeling You should never trust what you feel When you forget your body Nothing inside you is real You're not real You're not real
