Oh

```
I wanna know your name
You just kill me, could you at least do that?
I wanna know your name
Or better yet, stand there
Just do that
I wanna know your name
Your name
You just kill me, could you at least do that?
I wanna know your name
Your name
Or better yet, stand there
Just do that
Hey yeah
I wanna know your name...
Know your name...
I wanna know your name...
Know your name...
Uh!
Oh yeah
I wanna know your name
You just kill me, could you at least do that?
I wanna know your name
Know your name
Or better yet, stand there
Just do that
Hey yeah!
Oh yeah!
I wanna know your name...
Know your name...
I wanna know your name...
Know your name...
IJh
