

Save the World

Swedish House Mafia

Into the streets
We're coming out
We never sleep
Never get tired
Through urban fields
And suburban life

Turn the crowd up now
We'll never back down
Shoot down the skyline
Watch it on prime time
Turn up the love now
Listen up now,
Turn up the love

Who's gonna save the world tonight?
Who's gonna bring it back to life?
We're gonna make it, you and I
We're gonna save the world tonight

We're far from home,
It's for the better
What we dream, it's all that matters
We're on our way united

Turn the crowd up now
We'll never back down
Shoot down the skyline
Watch it on prime time
Turn up the love now
Listen up now,
Turn up the love

Who's gonna save the world tonight,
Who's gonna bring it back to life
We're gonna make it, you and I,
We're gonna save the world tonight.

Who's gonna save
Who's gonna bring
We're gonna make it, you and I,
Who's gonna save
Who's gonna bring
We're gonna save the world tonight.
