## Save the World

## Swedish House Mafia

Into the streets We're coming out We never sleep Never get tired Through urban fields And suburban life

Turn the crowd up now We'll never back down Shoot down the skyline Watch it on prime time Turn up the love now Listen up now, Turn up the love

Who's gonna save the world tonight? Who's gonna bring it back to life? We're gonna make it, you and I We're gonna save the world tonight

We're far from home, It's for the better What we dream, it's all that matters We're on our way united

Turn the crowd up now We'll never back down Shoot down the skyline Watch it on prime time Turn up the love now Listen up now, Turn up the love

Who's gonna save the world tonight, Who's gonna bring it back to life We're gonna make it, you and I, We're gonna save the world tonight.

Who's gonna save Who's gonna bring We're gonna make it, you and I, Who's gonna save Who's gonna bring We're gonna save the world tonight.
