

Fox on the Run

Sweet

I don't wanna know your name
Cause you don't look the same
The way you did before
OK you think you got a pretty face
But the rest of you is out of place
You looked all right before

Fox on the run
You screamed and everybody comes a-running
Take a run and hide yourself away
Fox on the run
F-foxy, foxy on the run and hideaway

You-you talk about just every band
But the names you drop are second hand
I've heard it all before
I don't wanna know your name
Cause you don't look the same
The way you did before
(repeat chorus)
