1
Tell me is it really true
This feeling that I feel for you
Your own kind of loving
that makes me think nothing
could ever take the place of you

ref

And it's so funny funny what you do honey honey what you do, what you mean to me And you know honey honey tho' it's so funny funny that you mean all the world to me

2
Ever since you came my way
I knew it was my lucky day
The sun started shining
when you started smiling
and I know it's gonna stay that way

ref.

bridge

Can't imagine loving anyone but you (Honey honey, so funny funny)
Every minute loving everything you do (Honey honey, so funny funny)
Couldn't see my way without you
Now I gotta tell the world about you
