

Man from Mecca

Sweet

Take a black cat I think of what you'll had
Here's a wildcat
Take a white mouse hiding in a house
Here's a colored love

Pay, pay, pay you can get it if you
Say, say, say that you wanna but
Hey, hey, hey, just remember it's the way

Day or nighttime you can really shine
With your groupie clothes
If the inside is on the outside
Everybody knows

Pay, pay, pay you can get it if you
Say, say, say that you wanna but
Hey, hey, hey, just remember it's the way

Take a black cat I think of what you'll had
Here's a wildcat
Take a white mouse hiding in a house
Here's a colored love

Pay, pay, pay you can get it if you
Say, say, say that you wanna but
Hey, hey, hey, just remember it's the way
