

## Man from Mecca

Sweet

Take a black cat I think of what you'll had  
Here's a wildcat  
Take a white mouse hiding in a house  
Here's a colored love

Pay, pay, pay you can get it if you  
Say, say, say that you wanna but  
Hey, hey, hey, just remember it's the way

Day or nighttime you can really shine  
With your groupie clothes  
If the inside is on the outside  
Everybody knows

Pay, pay, pay you can get it if you  
Say, say, say that you wanna but  
Hey, hey, hey, just remember it's the way

Take a black cat I think of what you'll had  
Here's a wildcat  
Take a white mouse hiding in a house  
Here's a colored love

Pay, pay, pay you can get it if you  
Say, say, say that you wanna but  
Hey, hey, hey, just remember it's the way
