

## Need A Lot Of Lovin'

Sweet

Mighty fine woman  
Need her by my side  
So I can rock and roll it  
I can feel my pride

I gotta find a chicken  
Gotta make up to  
But I ain't no telling Sally  
That I'm feeling blue

Don't let go  
'Cause ya got me going  
You're moving fast  
And there ain't no slowin' you  
I need a lot of lovin'  
Gonna have a lot of lovin'  
Need a lot of lovin' tonight

Early in the morning  
'To the middle of the night  
Gonna rock it to the rhythm  
Of the early morning light

With my baby boogaloo in'  
And the feeling's getting strong  
Gonna keep it in the move  
Until the darkness come along

Don't let go  
'Cause ya got me going  
You're moving fast  
And there ain't no slowin' you  
I need a lot of lovin'  
Gonna have a lot of lovin'  
Need a lot of lovin' tonight

Mighty fine woman  
Need her by my side  
So I can rock and roll it  
I can feel my pride...
