

## Oh Yeah!

Sweet

You call me a liar  
You call me a thief  
Said i stole your love  
You still got to believe  
You need me honey  
More every day  
I wouldn't have it any other way  
Oh Yeah !  
Oh Yeah !  
Oh Yeah !  
Your indiscretions  
Your point of view  
You try to close every door after you  
I saw you coming  
So don't turn away  
You know i wasn't born yesterday  
Oh Yeah !  
Oh Yeah !  
Oh Yeah !  
Every moment say i'm gonna leave you  
Give me a reason i should stay with you  
You call me a liar  
Call me a thief  
Didn't steal you love i got my belief  
Oh Yeah !  
Oh Yeah !  
Oh Yeah !
