

# Rebel Rouser

Sweet

Inside out gonna burn tonight  
'Cause the heat is on and the time is right  
Who is the face that's gonna set the pace?  
I'm a rocker, I'm a roller, I'm in outer space

Come on, come on, well you come on strong  
With my knees all weak from your lightning streak  
Like a thunder flash, supersonic crash  
He appears, you'll freeze knock your head over heels

Alright, alright, alright, alright  
Rebel rouser, rebel rouser  
Cosmic king, worship everything  
'Bout the rebel rouser, rebel rouser

Juvenile jive  
Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser

He got U.V. eyes that can hypnotize  
And his sky high lies infrared disguise  
Who is the guy who's gonna catch your eye?  
I'm a supersonic razor lasered from the sky

Look out, look out, when the rebel's out  
He can chill your veins, explode your brain  
He was born to rule, baby, he's no fool  
He was heaven sent, but his soul's hell bent

Alright, alright, alright, alright  
Rebel rouser, rebel rouser  
Cosmic king, worship everything  
'Bout the rebel rouser, rebel rouser

Juvenile jive  
Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser

He's a rebel, he's a rebel  
He's a rebel, he's a rebel

Alright, alright, alright, alright  
Rebel rouser, rebel rouser  
Cosmic king, worship everything  
'Bout the rebel rouser, rebel rouser

Juvenile jive  
Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser

Gotta be a rebel rouser  
Gotta be a rebel rouser  
Gotta be a rebel rouser
