

## Stairway To The Stars

Sweet

The heroine's a hero uprating me to zero  
I couldn't hold a candle to you  
The hardest part is leaving  
This web of love you're weaving  
You've shattered my illusions  
I've come to the conclusion  
You're gonna do a number on me  
I'll never get to heaven with out.

There's a stairway to the stars  
Yeah but it's a freeway into your arms  
There's a stairway to the stars  
Yeah but it's a freeway  
Stairway to the stars.

Girls in your condition  
They ain't in no position  
To do the things you're doing to me  
You opened like a flower  
You filled my head with power  
You boys get avaricious  
Feeling pretty vicious  
So don't you paint your fingers for me  
No no you'll never get to heaven with me.

There's a stairway to the stars  
Yeah but it's a freeway into your arms  
There's a stairway to the stars  
Yeah but it's a freeway  
Stairway to the stars.

Take the stairways to my heaven  
Take the stairways to my heaven  
Take the stairways to my heaven  
Take the stairways to my heaven

There's a stairway to the stars  
Yeah but it's a freeway into your arms  
There's a stairway to the stars  
Yeah but it's a freeway  
Stairway to the stars.

Stairway to the stars  
Stairway to the stars...
