

Thank You for Loving Me

Sweet

Honey do you believe in me
All the love in your heart
You gave me has set me free
Night after night
Like a bird in amy's pie
Lady your not my dream
Youe everything to me
Oh yeah

With every breath that i take
To help forget molley
I know that this love is real
By the way that i feel deep indside

Thank You For Loving Me
Thank You For Loving Me, baby
Thank You For Loving Me
Uh and i care not for any more

Lover a way said so much time
When you took my hand in yours
I knew you where mine
I saw the light
No more shift in the path in the night
Now i'm change my way
I'll want you to help me to stay in luck

Somethings you never forget
Just like the first time we meet
You where a woman so wild
With a face of a child
I wanted you

Thank You For Loving Me
Thank You For Loving Me, baby
Thank You For Loving Me
Uh and i care not for any more

Honey do you believe in me
All the love in your heart
That you gave me has set me free
Your everthing to me

Somethings you never forget
Just like the first time we meet
I know that this love is real
By the way that i feel deep indside

Thank You For Loving Me

Uh and i care not for any more
