

# The Six Teens

Sweet

Where were you in sixty-eight  
In sixty-eight, Julie was Johnnie's date  
Two kids growin' together  
Livin' each day as if time was slippin' away

Oh, they were just sixteen and their love, a teenage dream  
They passed the time, they crossed the line  
The line that ran between  
Julie and Johnnie, now you've made it

But life goes on, you know it ain't easy  
You've just gotta be strong if you're one of the six teens  
And life goes on, you know, you know it ain't easy  
You know you'll never go wrong 'cause you're all part of the six teen  
s

Suzie and Davey got to make the big time  
Maybe they can put it all together  
In a show that lasts forever

Oh, they would walk the strip at nights  
And dream they saw their name in lights  
On Desolation Boulevard, they'll light the faded light  
Suzie and Davey, you can make it

But life goes on, you know it ain't easy  
You've just gotta be strong if you're one of the six teens  
And life goes on, you know, you know it ain't easy  
You know you'll never go wrong 'cause you're all part of the six teen  
s

So where were you in sixty-eight  
When Bobby and Billy thought that sixty eight was out of date?  
They took the flowers from their hair  
And tried to make us all aware, too bad, too late

So they lived from day to day  
And tried to do it all their way  
But sixty-eight was sixty-eight  
No matter what they say  
Bobby and Billy, maybe you'll make it one day

But life goes on, you know it ain't easy  
You've just gotta be strong if you're one of the six teens  
And life goes on, you know, you know it ain't easy  
You know you'll never go wrong 'cause you're all

And life goes on, you know, you know it ain't easy  
You know you'll never go wrong 'cause you're all part of the six teen  
s  
And life goes on, you know, you know it ain't easy  
You know you'll never go wrong 'cause you're all part of the six teen
