

# Windy City

Sweet

Listen to you  
Listen to me  
No one knows the reason  
Why they want to be free

Workin' all night  
Workin' all day  
Waitin' for my money  
And I can't get away

I want to be rich man  
But I'm only poor man  
I got to get away

Waitin' for the risin' sun to shine on windy city  
You can find a place to hide yourself in windy city  
I've got to get away from windy city

Your dad's in the slam  
Your mama's a whore  
No one understands you  
Couldn't help bein' poor

But when I get rich  
I'll get my kicks  
From givin' it all away  
Want to be free

'Cause livin' ain't easy  
Want to be free  
Cause that's how it's gonna be  
I gotta be free

Waitin' for the risin' sun to shine on windy city  
You can find a place to hide yourself in windy city

Gotta be free  
Now I'm a rich man  
Gotta be free  
Don't want to be this man  
I gotta be free

Waitin' for the risin' sun to shine on windy city  
You can find a place to hide yourself in windy city  
I've got to get away from windy city  
I don't want to be a poor man  
Don't want to be a rich man  
I gotta be free  
I want to be free
