

Chyna Girl

Sweetbox

Lies on my breath
I am drowning in my dread
The wind is getting strong
The wind is getting stronger

There's no second chance
When the devils made you dance
The sky is getting dark
The sky is getting dark

Can't you see
Can't you see
We were never meant to be
It's no secret

That I'm your Chyna girl
Don't you know
Don't you know
That it's time for me to go

It's no secret
That I'm your Chyna girl

No turning back
No questions left to ask
The tide is getting high
The tide is getting higher

I'm not afraid
I decided on this fate
It's time to face the storm
It's time to face the storm

Can't you see
Can't you see
We were never meant to be
It's no secret

That I'm your Chyna girl
Don't you know
Don't you know
That it's time for me to go

It's no secret
That I'm your Chyna girl

You live you learn
And right now my scarlet letter burns
But I won't hide
I'll face what's mine

Lies on my breath
I am drowning in my dread
The wind is getting strong
The wind is getting stronger

There's no second chance

When the devils made you dance
The sky is getting dark
The sky is getting dark

Can't you see
Can't you see
We were never meant to be
It's no secret

That I'm your Chyna girl
Don't you know
Don't you know
That it's time for me to go

It's no secret
That I'm your Chyna girl

Can't you see
Can't you see
We were never meant to be
It's no secret

That I'm your Chyna girl
Don't you know
Don't you know
That it's time for me to go

It's no secret
That I'm your Chyna girl
