

# How Does It Feel

Sweetbox

Look at me, that silly girl  
Gave all I had just to be in your world  
Now look at me, I'm not the same  
Don't look so mad 'cause a lot has changed, yeah

So you called, 'cause you miss me  
You want me back and you say you love me  
Get over it, you're such a fool  
My life is good and I ain't thinkin' 'bout you

Ooh, how you gonna think  
I'm gonna sit around and wait for you?  
Ooh, find another girl to play

How does it feel?  
When you're the stupid one  
And all your games are done  
I really wanna know, how does it feel?  
To see me pass you by  
All hugged up with some guy  
I really wanna know, how does it...

Now look at you, who's cryin' now?  
Did you think that I'd never catch up  
To your lies, your life of shame  
You hold me tight then forget my name, yeah

Now I'm back, I'm feelin' good  
Just runnin' game that I learned from you  
You really think I'd take you back?  
My life is good and I ain't thinkin' 'bout you

Ooh, how you gonna think  
I'm gonna sit around and wait for you?  
Ooh, find another girl to play

How does it feel?  
When you're the stupid one  
And all your games are done  
I really wanna know, how does it feel?  
To see me pass you by  
All hugged up with some guy  
I really wanna know, how does it...

How does it feel?  
I really wanna know  
Yeah, how does it feel  
To see me over you?  
I wanna know  
Yeah, how does it feel?  
How does it.. feel

Don't give me that look  
You messed up, what can I say?  
I'm lettin' you know

Oh oh, oh oh

Oh oh, oh oh  
(How's it feel?)

How does it feel?  
When you're the stupid one  
And all your games are done  
I really wanna know, how does it feel?  
To see me pass you by  
All hugged up with some guy  
I really wanna know, how does it...
