

# I Don't Wanna Be

Sweetbox

Lalalalalalala  
Lalalalalalala

And I know that no one ever wants to be  
No one ever wants to be left behind  
Standing there wondering why  
Trying hard not to cry  
At the back of the line  
No I don't wanna be

Lalalalalalalalala  
I don't wanna be  
Lalalalalalalalala  
I Don't know  
Lalalalalalalala  
Yeah.Yeah!!  
Lalalalalalala

Why's it gotta be  
I guess it's always gonna be  
I keep telling myself  
Telling myself

Why's it gotta be  
I guess it's always gonna be  
So hard

Why's it gotta be  
I guess it's always gonna gonna be  
So tough  
So tough  
Why's it gotta be, guess it's always  
Gonna gonna be so hard

I Know wanna

Lalalalalalalalala  
I don't wanna be  
Lalalalalalalalala  
I Don't know  
Lalalalalalalala  
Yeah.Yeah!!  
Lalalalalalala

Sweety's, Sweety's

Can Your Mind  
Than You Understand me  
.....  
I know that
