

# More Than You'll Ever Know

Sweetbox

I know that I keep inside  
I know I don't say it enough  
Everything you've brought to my life  
And I know I owe you so much  
So I'm gonna tell you this  
From the bottom of my heart  
So you'll always know exactly how I feel

[Chorus]

Every little thing I do  
Always brings me back to you  
I know I don't always let it show  
I would give the world to you  
And I'll always be here for you  
And I love you  
More than you'll ever know  
More than you'll ever know  
I know that we fuss and we fight  
'Cause we don't always see eye to eye  
I get so busy and caught up in this life  
I don't always say what's on my mind  
But I'm here to say it loud and clear  
I'm tellin' you right now  
It's because of you I am who I am

[Chorus]

You'll never know how much I miss you  
You'll never know how much I care  
You'll never know how much I think about you  
At times when you're not here  
You'll never know how much I need you  
How much you mean to me  
You'll never know how much I pray for you  
I pray for you, thank God for you...  
More than you'll ever know
