

# On The Radio

Sweetbox

Every year 525,600 minutes are gone  
Did you hear me? 525,600 minutes are gone  
Oh it's just goodbye  
Oh it's just goodbye  
Now I know that you're paper not silk  
But I shouldn't cry for spilled milk  
(I Try)  
I know that the sun will still rise  
'Cause after all we just said goodbye and I'll survive  
Is there anyone on the radio?  
Listen to my song and let it go  
Mmmmm , radio , Mmmmm , radio  
Is there anyone on the radio?  
Come along with me 'cause I'm feeling low  
Mmmmm ,radio, Mmmmm ,radio  
Oh is there anyone on the radio (So do you hear me?)  
Come along with me 'cause I'm feeling low  
Ooh oh it's just goodbye  
I need to get back on my feet  
'Cause I took a real long hard fall  
But I won't cry for defeat  
Yeah I'll just smile because I loved at all  
And I'll stand tall  
Is there anyone on the radio?  
Listen to my song and let it go  
Mmmmm , radio , Mmmmm , radio  
Is there anyone on the radio?  
Come along with me 'cause I'm feeling low  
Mmmmm ,radio, Mmmmm ,radio  
Oh is there anyone on the radio (So do you hear me?)  
Come along with me 'cause I'm feeling low  
Ooh oh it's just goodbye  
Oh wasted 365 days on you  
Oh wasted 365 days on you  
Oh but I won't regret a minute  
Oh I won't cry for lost time  
Oh it's just goodbye  
I know that the sun will still rise  
'Cause after all we just said goodbye and I'll survive  
Is there anyone on the radio?  
Listen to my song and let it go  
Mmmmm , radio , Mmmmm , radio  
Is there anyone on the radio?  
Come along with me 'cause I'm feeling low  
Mmmmm ,radio, Mmmmm ,radio  
Oh is there anyone on the radio (So do you hear me?)  
Come along with me 'cause I'm feeling low  
Ooh oh it's just goodbye
