

Real Emotion

Sweetbox

What can I do for you?

What can I do for you?

I can hear you

What can I do for you?

Far beyond the hazy borders of my heart

I could see a place that's something like this

Every now and then I don't know what to do

Still I know that I can never go back

But the things I've seen in those hazy dreams

Can't compare to what I'm seeing now

Everything's so different

That it brings me to my knees

And though I know the world of real emotion has surrounded me

I won't give in to it

Now I know that forward is the only way my heart can go

I hear your voice calling out to me:

"You'll never be alone"

What can I do for you?

I can hear you

What can I do for you?

I don't plan on looking back on my old life

I don't ever plan to rely on you

Even if by chance everything should go wrong

You'd come anyway and try to save me

Though from time to time it's an upward climb

All I know is that I must believe

'Cause the truth I'm seeking

Always was inside of me

And when I find the world of

Real emotion has surrounded me

The many things that you

Taught me then will always be enough to

Get me through the pain

Because of you I am strong enough

To know I'm not alone

What can I do for you?

I can hear you

And if I find the real world of emotion has surrounded me

And I can't go on

You are there the moment that I close my eyes to comfort me

We are connected for all of time

I'll never be...

And though I know the world of real emotion has surrounded me

I won't give in to it

Now I know that forward is the only way my heart can go

I hear your voice calling out to me:

"You'll never be alone"

What can I do for you?
I can hear you

What can I do for you?
I can hear you

I can hear you
