

Remember This Dance

Sweetbox

Here we are
Take my hand
I think we've gone and figured it out
And I will never have to live without

Cause all you are
Is all I name
I've been waiting for this moment so long
And now with you I know it's where I belong

Cause you can see it in my eyes
I can feel it in your touch
Your love fills my heart
Till death do us part

And I promise to take care of you

And you know that I will give you all of me
And love you unconditionally
I'd lose myself if you won't holding me
In this moment now you are my gravity

And I swear I will never leave you
I'll take care of anything you need me to
Oh I'm so blessed cause you are heaven sent
I will always remember this dance with you

And now I stand
With my best friend
And I just wanna breathe you in
Lose myself in a moment like this

So much to say
But I will wait
Cause I know we've got the rest of our lives
And I just wanna hold you tonight

And you say it with your smile
You do it every time
No words could explain
You take my breathe away

Yes I promise to take care of you

And you know that I will give you all of me
And love you unconditionally
I'd lose myself if you won't holding me
In this moment now you are my gravity

And I swear I will never leave you
I'll take care of anything you need me to
Oh I'm so blessed cause you are heaven sent
I will always remember this dance with you

And you know that I will give you all of me
And love you unconditionally
I'd lose myself if you won't holding me

In this moment now you are my gravity

And I swear I will never leave you
I'll take care of anything you need me to
Oh I'm so blessed cause you are heaven sent
I will always remember this dance with you
