

# Sorry

Sweetbox

I never  
I never  
Don't wanna make you said  
I never wanna make you lie  
I never wanna see you cry

Shadows in your eyes  
Your smile is colored black  
You don't need someone who never saw your empty life  
I never made you smile I promise deep inside  
I'm gonna be the one who's gonna keep you satisfied  
I'll make it up to  
I promise to  
I really wanna tell you I'm sorry  
You're just a part of me  
And I can't let you go  
Please forgive me

refrain:  
It's really hard to tell you I'm sorry  
I don't wanna break your heart again  
It's really hard to tell you I'm sorry  
I don't wanna see you cry again  
It's really hard to tell you I'm sorry  
Is there anything that I can do  
It's really hard to tell you I'm sorry  
I don't wanna break your heart again

I'm sorry for the lies  
That I kept telling you  
I'm sorry for the things I never said to you  
Expect to get your call almost everytime  
No matter what they said  
I kept pretending I was fine  
But I can't hide the truth  
I never can  
It's really hard to say I'm sorry  
You're just a part me and I can't let you go  
Please forgive me

I never  
I never  
Don't wanna make you said  
I never wanna make you cry  
I know I know I know  
Mmmh I know just wanna tell you I'm sorry
