

Trying To Be Me

Sweetbox

Look at me and tell me what you see
You might think that I'm just crazy
So I'm not that typical
Well, I'm not trying to be
Don't really care what they're sayin'
What they think won't change my ways and
Yeah, I like to be naughty
Well, I'm just trying to be me
Na na na na na na na.....
I'm just trying to be me
See I tried to get along with you
But I'll never be what you want me to
You turn around the things I say
Your jealousy's in the way
Know who I am I know what I stand for
Don't think I need to be more
So shut up and let me be
'cause I'm just tryin' to be me
I don't know what's goin on
Tell me why do they always wanna trip on me
I don't know what's goin' on
Tell me why do they trip on me
Do you really think you're gonna get me
Do you really think you're gonna stop me
Do you really think I'm gonna take this
Hell no..... no no
