

## Vaya Con Dios

Sweetbox

This time gonna try to keep it light  
No teary Toni Braxton goodbyes  
No use in dying of confusion  
Skipping straight through to where  
I'm thinking like confuscian  
Auf Wiedersehn, don't you cry  
Arrivederci, have a nice life  
I'm too old to waste tomorrow  
See you later sayonara  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios  
So you broke my heart and I lied  
What's the point in wondering why  
Just another test in loves little game show  
In the story of my life  
You're just a scene in an episode  
No violins, no one died  
"Here's looking at you kid" goodbye  
You were never big enough to change who I am  
"Frankly my dear I don't give a damn"  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios  
I'm going through, I'm going through, I'm going through  
I'm going through, I'm going through  
This time gonna try to keep it light  
No teary Toni Braxton goodbyes  
No use in dying of confusion  
Skipping straight through to where  
I'm thinking like confuscian  
Auf Wiedersehn, don't you cry  
Arrivederci, have a nice life  
I'm too old to waste tomorrow  
See you later sayonara  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios  
Oooooh oooooh wooooo ooh  
Vaya con dios, vaya con dios
