

# We Can Work It Out

Sweetbox

I can't see why everybody has to fight  
Cos two wrongs don't make a right  
A fall in life is justified  
That is what they say  
Life's too short  
There must be another way  
We can work it out  
Together we can change it  
We can work it out  
Together we can make it  
And if we just forgive in this world we live  
And share some love  
We can work it out  
We should live to the fullest each and everyday  
Cos there's no stop in time ooh  
And yesterday's past mistakes shouldn't bring us down  
Life's too short  
There's no need to be afraid  
We can work it out  
Together we can change it  
We can work it out  
Together we can make it  
And if we just forgive  
Within this world we live  
And share some love  
We can work it out ooh  
We can work it out  
Yes, we can  
We can work it out yeah, yeah  
Together we can change it  
Together we can change it  
Maybe we can make it ooh oh  
And if we just forgive  
Within this world we live  
If we life is too short  
We can work it out  
If we come together we can change it  
We can work it  
And together we can make it  
And if we just believe in love  
Within this world we live to love  
Just miracle just very short  
We can work it out  
Ah oh
