

# You Don't Know What You're Sorry For

Sweetbox

In your eyes, I can see,  
My reflection through the tears  
In between, all the lies, all the questions,  
There's a stranger  
Don't apologize, should've realized,  
I was holding onto a ghost  
The only real surprise  
Is what is hurting the most  
You don't know what you're sorry for  
Is it for leaving me or that you wanna?  
Don't say you love me anymore  
Everytime that you walk out the door  
Baby tell me  
What is it you're sorry for?  
Look inside yourself, for once, be honest (be honest)  
Do you feel anything at all?  
No it doesn't really matter  
No it doesn't really matter  
In your voice, I can hear  
There's a distance even now  
It was there, from the start, if I listen, to the echos  
Don't apologize, I should've realized, I was holding  
onto a ghost  
The only real surprise  
Is what's hurting the most  
You don't know what you're sorry for  
Is it for leaving me or that you wanna?  
Don't say you love me anymore  
Everytime that you walk out the door  
Baby tell me  
What is it you're sorry for?  
Look inside yourself, for once, be honest (be honest)  
Do you feel anything at all?  
No it doesn't really matter  
Doesn't matter  
Doesn't matter  
Doesn't matter  
Don't apologize, I should've realized,  
I was holding onto a ghost  
The only real surprise  
Is what's hurting the most  
You don't know what you're sorry for  
Is it for leaving me or that you wanna?  
Don't say you love me anymore  
Everytime that you walk out the door  
Baby tell me  
What is it you're sorry for?  
Is it for leaving me or that you wanna?  
Don't say you love me anymore
