

He Doesn't Tell Me Anything

Sweethearts Of The Rodeo

Can't put my finger on what's going on but there's a feeling here that don't belong
If leavin' is on his mind he hasn't said a word oh cause he doesn't tell me anything
We live in the same house sleep in the same bed
But I can't tell what's going through his head
And it isn't like we never talk at all it's just that he doesn't tell me anything
And late at night I can hear him talking on the telephone
It could be another woman but how would I ever know
If something has changed he doesn't tell me anything

He never really had that much to say but I always knew he loved me anyway
It's a different kind of silence and I don't know what it means
Oh cause he doesn't tell me anything
And late at night I can hear him...
He doesn't tell me anything is he stayin' or leavin'
Oh he doesn't tell me anything oh can't tell what he's feelin'
He doesn't tell me anything
