

Satisfy You

Sweethearts Of The Rodeo

Oh baby tell me the truth
What in the world?s come over you?
Oh darling I would do
Anything to satisfy you, anything to satisfy you

Should I stay with you forever?
Get those words written on my heart
Now whenever we?re together
I feel like were miles apart, like a stranger in the dark

Oh baby tell me the truth
What in the world?s come over you?
Oh darling I would do
Anything to satisfy you, anything to satisfy you

Honey you don't have to hurry
Just relax and take you're time
I don't know what you don't tell me
I don't mean to be unkind, honey I can't read your mind

Oh baby tell me the truth
What in the world?s come over you?
Oh darling I would do
Anything to satisfy you, anything to satisfy you

I just want to see you happy
I just hate to see you cry
Tell me what it takes to please you
There ain't nothing I won't try, it's anything but say goodbye

Oh baby tell me the truth
What in the world?s come over you?
Oh darling I would do
Anything to satisfy you, anything to satisfy you
