Blue Mood

Swing Out Sister

Blue moods taken hold of you Blue mood coming your way Blue mood will take control of you Blue mood blue's take you away Take a look at yourself Take a look at yourself Think it over It won't be long now Wait for that mellow feeling's gone Think it over Take it over Think it over It won't be long Blue mood's taken hold of you Blue mood coming your way Blue mood take control of you Blue mood blue's take you away Take a look at yourself Take a look at yourself Won't be long now Feeling strong now Nothing but blue skies Open your heart Make a new start Open your heart Make a new start Open up your heart Think it over It won't be long now Before that mellow feeling's gone Think it over Take it over Think it over Take it over It won't be long Think it over It won't be long now Before that mellow feeling's gone Think it over Take it over Think it over Take it over It won't be long Won't be long now Feeling strong now Nothing but blue skies Open your heart Make a new start Open your heart Make a new start Open up your eyes Think it over It won't be long now Before that mellow feeling's gone Think it over Take it over Think it over

Take it over It won't be long
