

it would be nice if what was said was what we heard was what we  
read there's too many times it seems to me between the lines w  
e have to read

Politician - don't you ever listen

so what is the point i must implore obviously my questions you  
seem to ignore so why'd you do this? and why'd you do that? you  
're sittin around you're picking your ass
