

Insect

Switchblade Symphony

Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back

I hear it
No buzzing
Be quiet
I hear you
In my head
Be quiet
Be quiet

Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back

Where is the light
Where is the light
Let's get out of here
Let's get out of here

Where is the light
Where is the light
Let's get out of here
Let's get out of here

Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back
Don't you ever, ever, ever, come back
