

Soldiers

Switchblade Symphony

See all the faces
Out walking in the street
You will find a way to love

See how they run
See how they fly
Ooh wah wah wah
Ooh wah wah wah
Ooh wah wah wah
Ooh wah wah wah
Ooh ooh

Who are you?
Who are you?

One, two, three, four
Five, six, seven, eight
Many more to obligate

See past the surface
To all the broken hearts
Beating much too slow

See how they run
See how they fly
Ooh wah wah wah
Ooh wah wah wah
Ooh wah wah wah
Ooh wah wah wah
Ooh ooh

Who are you?
Who are you?

One, two, three, four
