## Switchblade Symphony

See all the faces  
Out walking in the street  
You will find a way to love

See how they run  
See how they fly  
Ooh wah wah wah  
Ooh wah wah wah  
Ooh wah wah wah  
Ooh wah wah wah  
Ooh ooh

Who are you?  
Who are you?

One, two, three, four  
Five, six, seven, eight  
Many more to obligate

See past the surface  
To all the broken hearts  
Beating much too slow

See how they run  
See how they fly  
Ooh wah wah wah  
Ooh wah wah wah  
Ooh wah wah wah  
Ooh wah wah wah  
Ooh ooh

Who are you?  
Who are you?

One, two, three, four
