

## Witches

## Switchblade Symphony

Witches  
They ride on broomsticks  
Ya know  
Angels use wings  
To catch the wind's blow  
And they're moving as far as they can  
And as fast as they can

Skeleton's white  
They glow in the night  
Goblins entrance  
With their wicked dance  
And they're moving as far as they can  
And as fast as they can

Your dreams are filled  
With blood and gore  
Now they're right outside your door  
They're gonna get you

A spider's love bite  
May find you tonight  
Monsters they eat  
Your kind of meat  
And they're moving as far as they can  
And as fast as they can

Now it's getting hot, hot  
Now it's getting hot, hot  
Run for water  
Now it's getting too hot

Nee, nee, nee, nee, nee, nee, ha ha ha...
