

# All or Nothing at All

Switchfoot

I can't say I didn't see it coming  
I pushed the pedal and we hit the wall  
I can't say I don't want nothing  
I want it all, or nothing at all

I should've known, should've known better  
I can't say I didn't see you fall  
I won't settle for your love letters  
I want it all or nothing at all

You feel your heart beat loudest when it's breaking  
You and I both know our fatal flaws  
We both know that love is what you make it  
I want you  
All or nothing at all  
All or nothing at all

There's a fault line here running  
The walls shake like a cannonball  
So fight fair if you love something  
Yeah, but I'm sick of fighting at all

I can't say that I don't get it  
I want it all or nothing at all

You feel your heart beat loudest when it's breaking  
You and I both know our fatal flaws  
We both know that love is what you make it  
I want you  
All or nothing at all  
All or nothing at all

All or nothing at all  
All or nothing at all  
Eh, we won't stop till we're getting it right  
All or nothing at all  
Eh eh we won't stop till we're getting it right  
Yea yea yea, now I know, now I know better  
Eh eh we won't stop till we're getting it right  
Eh eh  
I want it all or nothing at all

You feel your heart beat loudest when it's breaking  
You and I both know our fatal flaws  
We both know that love is what you make it  
I want you  
All or nothing at all  
All or nothing at all

All or nothing at all  
All or nothing, all or nothing at all  
All or nothing at all
