

## Connect with the Spine

Switchfoot

Take her like a photograph  
Like any autograph  
She'll find a way to go down  
Watch her like a movie screen  
Like any drama queen  
She'll find a way to go down

Yeah, yeah  
Yeah, yeah  
Yeah, yeah

Play it like a cameo  
And watch her overflow  
She'll find a way to go down  
Running like a candidate  
Like any minute made  
You'll find a way to go down

I'm sick of the faces, the scene, and the light  
We'll be fine when the faces connect with the spine

Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah

Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah

Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah
