

## Edge of My Seat

Switchfoot

Nothing more  
That there's nothing more  
Nothing more  
That there's nothing more

Nothing here's the same, it's all a dream  
Life on the movie screen  
And I'm sitting on the edge of my seat

I can't tell what happens next,  
Just what I've seen  
I don't know what it means  
But I'm holding on the edge of my seat

'Cause I can't forget your name,  
Forget your name  
Yeah I can't forget you now  
I know I can't forget you, girl

I promise  
Sit back buckle in and hold on tight  
A roller coaster ride  
And I'm holding on the edge of my seat

And I can't know for sure  
'Cause I just landed on your shore  
But I think you got nothing but another thing coming  
If you think there's nothing more  
That there's nothing more

(3x):

'Cause I can't forget your name,  
Forget your name  
Yeah I can't forget you now  
I know I can't forget you, girl
