

Edge of My Seat

Switchfoot

Nothing more
That there's nothing more
Nothing more
That there's nothing more

Nothing here's the same, it's all a dream
Life on the movie screen
And I'm sitting on the edge of my seat

I can't tell what happens next,
Just what I've seen
I don't know what it means
But I'm holding on the edge of my seat

'Cause I can't forget your name,
Forget your name
Yeah I can't forget you now
I know I can't forget you, girl

I promise
Sit back buckle in and hold on tight
A roller coaster ride
And I'm holding on the edge of my seat

And I can't know for sure
'Cause I just landed on your shore
But I think you got nothing but another thing coming
If you think there's nothing more
That there's nothing more

(3x):

'Cause I can't forget your name,
Forget your name
Yeah I can't forget you now
I know I can't forget you, girl
