

# Float

## Switchfoot

OK, let's do it

Turn it up so I can feel it  
Turn it up so I can be near it  
Baby says she's got that feeling  
Moonwalking on the ceiling

It's alright  
It's alright  
It's alright  
It's alright, all alright

Turn it up so I can feel it  
Loud enough so I can get near it  
Baby's in that slow emotion  
Moonwalking on the ocean

It's how we float, yeah  
Feet ain't even touching ground  
It's how we float, yeah  
Flying at the speed of sound  
I'm in orbit like a jet pilot  
Ain't no gravity to try to fight it  
It's how we float, yeah  
We ain't never coming down

Don't you need someone to lean on?  
Don't you need that taste of freedom?  
It don't take no education  
All you need's an invitation

It's alright  
It's alright, all alright

It's how we float, yeah  
Feet ain't even touching ground  
It's how we float, yeah  
Flying at the speed of sound  
I'm in orbit like a jet pilot  
Ain't no gravity to try to fight it  
It's how we float, yeah  
We ain't never coming down

Away from the crowds where you realize  
The herd's insecure or the free mind  
So don't let em tell you what to feel like  
They can't bring me down, can't bring me down, yeah  
Money gonna run away hardest  
Money gonna leave you broken-hearted  
But money can't finish what we started  
It can't bring me down, can't bring me down, yeah  
(It's how we float, yeah)

It's how we float, yeah (in orbit)  
Feet ain't even touching ground  
It's how we float (orbit), yeah  
Flying at the speed of sound

I'm in orbit like a jet pilot (yeah, yeah)  
Ain't no gravity to try to fight it (it's how we, how we)  
It's how we float, yeah  
We ain't never coming down

It's how we float, yeah  
Feet ain't even touching ground (it's how we float)  
It's how we float, yeah  
Flying at the speed of sound (it's how we float in orbit)  
I'm in orbit like a jet pilot (it's how we float in orbit, yeah)  
Ain't no gravity to try to fight it  
It's how we float, yeah  
We ain't never coming down
