

# Happy Is a Yuppie Word

Switchfoot

Ah!

Everyone dies  
Everyone loves a fight  
Nothing is sound  
Nothing is right side right  
Evening comes, when the sun goes down in red  
Nothing is cool  
When will all the fighting end  
When will all the fighting end

Happy is a yuppie word  
Nothing in the world could fail me now  
It's empty as an argument  
I'm running down a life that won't cash out (cash out)

Everything fails  
Everything runs it's course  
A time and a place, for all of this loving war  
Everyone buys, everyone's gotta price, and nothing is new  
When will all the failures rise  
When will all the failures rise, rise!

Happy is a yuppie word  
Nothing in the world could fail me now  
It's empty as an argument  
I'm running down a life that won't cash out

Happy is a yuppie word  
Blessed is the man who's lost it all  
Happy is a yuppie word (word)

Looking for an orphanage  
I'm looking for a bridge I can't burn down  
I don't believe the emptiness  
I'm looking for the kingdom coming down  
Everything is meaningless  
I want more than simple cash can buy  
Happy is a yuppie word  
Happy is a yuppie word  
Happy is a yuppie word  
Happy is a yuppie,

Nothing is sound  
Nothing is sound  
Nothing is sound  
Nothing is sound  
Nothing is sound  
Nothing is sound  
Nothing is sound

Happy is a yuppie word  
Nothing in the world could fail me now  
Happy is a yuppie word (word)

So calm down, yeah!  
So calm down, yeah!

So calm down, yeah!
